Dear

I am writing to inform you and your group of a 10% East Kilbride store discount that is available to you any day, any time across the entire store.

We offer a wide range of outdoor clothing, shoes, boots and accessories that would meet your group's activity requirements perfectly.

All that your group members need to do to take advantage of this offer is mention to a member of staff the association they belong to and show a valid membership card or official documentation.

We are also happy to arrange group visits to the store where we will have staff dedicated specifically to give advice and guidance to you on our vast product range.

If you have any questions, please do not hesitate to give the shop a call.

Kind regards

M M KENZIE (MANAGER)
